

Stanislaus SELPA Presents:

Surrogate Parent Training

Saturday, February 25, 2012

9:00 am – 1:00 pm

Stanislaus SELPA Conference Room
1336 Stonum Road, Modesto

Topics to be covered:

- ❖ What is a surrogate parent?
- ❖ What is an IEP?
- ❖ What are parents' rights?
- ❖ What programs are available for children with special needs?

The surrogate parent role on the IEP team is to represent the rights of a student with special education needs in all educational matters related to the provision of a free appropriate public education (California *Education Code* Section 56050). These rights within the educational process are the same as for any "parent," with identical guarantees for participation in decision-making and procedural safeguards. The surrogate parent may represent the child throughout the special educational process (34 *Code of Federal Regulations* Section 300.519[g]).

We encourage attendance at this training. You don't have to become a surrogate parent for a special education student however we would appreciate it if you would.

Those who successfully complete this training will be certified to serve as a surrogate parent.

THERE IS NO COST FOR PARTICIPANTS

Return the bottom portion of this flyer to Angie Van Wagoner via email avanwagoner@stancoe.org,
or mail to: SELPA, 1100 H Street, Route #841, Modesto 95354
or fax to 541-2947
